SHAKESPEARE'S
HANLET

March 25 - April 23

"Something is rotten in the state of Denmark." On a dark night, the Ghost of Hamlet's father reveals to Hamlet that his death was the result of murder. Now his murderer sits on the throne of Denmark and has taken Hamlet's mother for his wife. Will Hamlet avenge his father's death? This production, featuring Barter's resident acting company, is Shakespeare's seminal tragedy as you've never seen it before.

This project is part of Shakespeare in American Communities, a program of the National Endowment for the Arts in partnership with Arts Midwest.
